Commissioner for Patents

Attention: **PETITIONS OFFICE**
Commissioner of Patents and Trademarks
Washington, DC 20231

RENEWED PETITION UNDER 37 CFR 1.47(a)

Therefore, a Petition under 37 CFR 1.47(a) was filed along with an executed declaration signed by the remaining inventors on their behalf and on the behalf of the non-signing inventor. However, our previous petition was dismissed for failure to comply with all of the requirements for response. Applicants were then afforded TWO (2) MONTHS to file either an oath or declaration in compliance with 37 CFR 1.497(a)-(b) or a renewed petition satisfying all requirements under 37 CFR 1.47(a).

On February 12, 2001, we prepared and filed a renewed petition with a signed affidavit from Mr. Gillespie of America Online, Inc., the employer of all the applicants at the time of the invention. However, the information contained in this affidavit was insufficient for compliance with the requirements and applicant was again given TWO (2) MONTHS to file either a declaration in full compliance with 37 CFR 1.497(a)-(b) or a renewed petition satisfying all requirements under 37 CFR 1.47(a).

Pursuant to 37 CFR 1.47(a), applicant hereby submits the appropriate executed declaration of Robert D. Greenlee, the inventor previously unavailable for execution of the declaration for the above-referenced application, in response to the Notice to File Missing Parts.
